June 1st - 3rd, 2012

GET INVOLVED IN WETLAND CONSERVATION!

IN THIS 2.5 DAY WORKSHOP YOU WILL LEARN ABOUT WETLAND TYPES & FUNCTIONS, GAIN HANDS-ON EXPERIENCE WITH INVENTORY & MAPPING, WETLANDS SOIL, VEGETATION & WILDLIFE SURVEYS, AND INVASIVE RIPARIAN & AQUATIC SPECIES MANAGEMENT. YOU'LL LEAVE WITH THE TOOLS, RESOURCES & SUPPORT NECESSARY TO BEGIN YOUR OWN STEWARDSHIP PROJECT (INCLUDING A WETLANDKEEPERS MANUAL). COST: \$90

To register, contact:

Neil Fletcher (Wetlands Program Coordinator), BC Wildlife Federation

Call toll free: 1-888-881-2293 ext. 232 email wetlands@bcwf.bc.ca

or find us online at www.bcwf.bc.ca

This dynamic course is in partnership with the Castlegar & District Wildlife Association and the Central Kootenay Invasive Plant Committee.

It is made possible with the financial assistance provided by Columbia Basin Trust and the Province of British Columbia.
